Syscons Group Career Day

APPLY NOW!

sysconsgroup.com/job-openings/

We are a boutique specializing in Digital Supply Chain and Enterprise Solutions & Services.

Why work with us?

You will work with both top players and growing brands in the field of Fashion, Beverage, Industrial Manufacturing, Pharma, and much more, while bringing your talent to life with day-by-day teamwork. We will guide you in your hard and soft skills improvement path, in a caring work environment that allows you to grow and achieve new expertise through e-learning programs and mentoring-oriented training.

Who are we looking for?

We look for kind talents who are great problem solvers and exceptional team workers to join our team as junior consultants.
